

Featured White Wine

Branu, Vermentino Di Gallura D. O. C. G.	BTL/GLS 60
---	-----------------------

Obtained only by Vermentino grapes grown in vineyards with espalier (Guyot) training system on soils with granite weathering origins, medium mixture, tending to sandy. Due to the warm weather during the harvest, the use of cold is applied immediately after the destemming and crushing. After the extraction of the must, alcoholic fermentation takes place in stainless steel tanks at controlled temperature of 15-18°C. The vinification is carried out in stainless steel, at controlled temperature. Bottled young, it keeps the minerality and freshness typical of Vermentino di Gallura.

Tasting Note

The wine is a bright straw yellow color with greenish hues. Intense aroma with fruity mineral notes developing towards the floral. The taste is long and persistent, rich and intense.

Arrowood Cabernet Sauvignon Sonoma County 2015

Arrowood are passionate about crafting the most distinctive Cabernet Sauvignon Sonoma County has to offer. For more than three decades, they've been sourcing grapes from throughout this uniquely diverse growing region, where terroir ranges from steep mountain slopes to lower-lying hillsides and benchlands.

Tasting Note

The 2014 Sonoma County Cabernet Sauvignon is red fruit dominated, with dark cherry, huckleberry, and floral tones of chicory and violet. Roasted coffee and a hint of anise appear on the palate, along with a smooth and opulent mouthfeel and weighty texture.
